maharaja

an unique dining experience

Mr. Ali & his friendly staff welcome you to The Maharaja Restaurant, a truly unique dining experience. Within our booklet you will find all the menus that are available for the coming year. Most are available all year round and are designed to cater for parties of 4 to 200 persons and Buffet receptions up to 250 persons – 2 sittings. If you need more information, do not hesitate to ask a member of staff for details.

Maharaja takes you back to Great India, where each meal is a Feast and each Feast is a gourmet's delight. We have made a sincere effort to retain the authenticity of the flavours of Great India. The choicest herbs and spices have been used not only for their aroma, but also for their digestive and nutritional values. The discerning will find far more than curries in our cuisine. We call nothing a 'curry' that does not blend at least a dozen individual flavours of herbs and freshly ground spices, and a meal that lacks half a score of these is not one to be offered to anyone. The dishes we present to you are prepared with the addition of fragrant, warm and pungent spices from Great India, delicately blended in meticulous proportions. We hope you will enjoy your meal and above all savour a truly unique dining experience.

Thank You – Mr. Ansari – Director BA (Hons), MA, MScif, LCGI, SFDR
